Publication
Mar 1, 2018

Wendy McGuire Coats' article "Kick the A**holes Out of the Kitchen" is featured in the *Women Chefs & Restaurateurs* Legal Bites. Wendy aims to promote change in the restaurant industry by introducing two resources, Brené Brown's "Daring Greatly Leadership Manifesto," and Robert I. Sutton's "The No A**hole Rule: Building a Civilized Workplace and Surviving One That Isn't." These two pieces of work are meant to help build a new culture in the workplace and purge them of unwanted behaviors and misconduct.
