

OP-ED: Just (Don't) Do It: A Warning Against 'Cat's Paw' Retaliation

Publication

3.01.18

Rich Meneghello authored the article “OP-ED: Just (Don't) Do It: A Warning Against 'Cat's Paw' Retaliation” that ran in the *Daily Journal of Commerce*. In this article, Rich provides background information on the recent retaliation claim against Nike that was revived using the legal concept, the “cat's paw” theory. In this claim, a worker filed for wrongful termination due to his whistleblowing that safety standards were not being met.
