

## Building Workplace Culture on a Solid Foundation in the #MeToo Era

Publication

5.31.18

Collin Cook and Bailey Bifoss authored the *California Constructor Magazine* article “Building Workplace Culture on a Solid Foundation in the #MeToo Era.” In this article, Collin and Bailey provide steps for preventing harassment and fostering gender equality in the workplace. To create a more inclusive workplace culture and reduce incidents of harassment, they suggest creating and enforcing anti-harassment policies, providing training for managers and employees, and conducting investigations.
