WHAT EMPLOYERS NEED TO KNOW ABOUT COVID-19 VACCINES

Lee's Summit Mo Chamber of Commerce

Event
Feb 19, 2021

This session covers various COVID-19 vaccine issues employers will face in 2021. We will cover evolving COVID-19 issues including - can employers require vaccinations, the EEOC's guidance regarding vaccines, ADA and other legal considerations, ongoing screening protocols in the workplace, and how to handle differing employee relations issues as it relates to vaccines and other COVID related matters in the workplace.

Fisher Phillips attorney Lauren Sobaski spoke at this webinar.
