

Fisher Phillips Attorney Explores the Intersection of Maritime and Employment Law

Publication

11.19.18

The intersection of maritime law and employment law is a unique one; unlike most U.S. business and industry employers, maritime employers deal with historical maritime law that can conflict with or supersede employment law. In his bylined article for *Workboat Magazine*, New Orleans senior counsel Clyde Jacob III outlines a 1938 case of a strike that changed the laws for today's maritime workplaces.
