

## What Does the Vaccine Mandate Mean for Schools?

Event

11.17.21

12:00 PM — 1:30 PM EDT

This is the most significant development for schools during the entire pandemic: OSHA just released its emergency temporary standard (ETS) requiring employers with 100+ employees to either mandate the vaccine or test their employees for COVID-19 on a weekly basis. Our Education Law attorneys know that schools have their own questions unique to the education field that demand special treatment.

Join us for an in-depth discussion as leaders of our Education Practice Group walk you through the ins and outs of OSHA's ETS (i.e. the vaccine mandate) and provide you with practical suggestions for managing these new obligations. This complimentary 90-minute webinar will be highly interactive, so bring your burning questions and you'll leave the webinar equipped with all the knowledge you'll need to comply with OSHA's ETS.

If you have any questions, please contact **Elizabeth Hickman**.
