Fisher Phillips invites you to join us for an informative program covering vital legislative and legal updates impacting employers across the State of California. Fisher Phillips attorneys will analyze significant new legislation, case law updates, and employee benefits law developments that will affect California employers in the new year. Employers will walk away with the latest legal labor and employment updates and COVID-19 legal requirements for the workplace.

This seminar is appropriate for business owners, in-house counsel, HR professionals, and anyone who handles employee complaints, manages employees, or makes decisions impacting the workplace.

- **SB 646 PAGA Exemption for Unionized Janitorial Employers** - Follows previous similar legislation that exempted unionized construction employers from PAGA
