DENVER PARTNER DISCUSSES HOW EMPLOYERS SHOULD PREPARE FOR VACCINE MANDATES WHILE THEY ARE CHALLENGED IN COURT

News
Dec 1, 2021

In an interview with SHRM, **Kristin White** weighs in on how employers can plan for vaccine mandates while litigation ensues. She recommends that employers provide notices and start gathering vaccination information now. "Then, they [employers] can hold off finalizing the plan and testing for a couple of weeks while they gather vaccine information and the litigation moves forward."
