

## Regional Managing Partner of Louisville Office Joins Panel Discussion on Aging Care

News

12.09.21

In a panel discussion with Louisville Business First, **Laurel Cornell** tackles key issues impacting organizations that provide care to the elderly, including staffing, vaccine mandates, and technological trends enhancing quality of life. Laurel weighs in on how forced closures impacted those in residential facilities and why tort laws restrict access to skilled nurses. She also discusses trends in talent acquisition, as well as the implications of a national paid family leave program and vaccine mandates.
