

Chicago Attorneys Tackle Tip Pooling Regulation

Publication

1.10.19

Laws and regulations related to tip-pooling were ever-changing in 2018. It is important to understand the background of the tip rule changes to get a better grasp on the current state of the law and what the restaurant industry can expect moving forward. In an authored article for *Modern Restaurant Management*, Chicago partner Joel Rice and associate Michael Furlong examine the DOL's shifting positions on tip pooling regulation and expected guidance that may help.
