

SCOTUS Vaccine Aftermath: Where Do Employers Go From Here?

Event

1.27.22

2:00 PM — 3:00 PM EDT

Now that the Supreme Court has addressed two major – and controversial – federal COVID-19 workplace vaccination rules, many employers are left wondering what they should do now. You're undoubtedly thinking about how to continue or adjust your approach to vaccinations and overall workplace safety in this new landscape, while needing to comply with the law and maintain a workplace free of recognized hazards.

In this interactive webinar, an attorney panel from our Vaccine Team will take its best shot at explaining where things stand on federal and state levels for employers. As a bonus for healthcare employers covered by the CMS mandate, we'll provide a suggested game plan to ensure you comply with the upcoming deadlines.

This program has been approved for HRCI and SHRM credit.
