In his bylined article for the *Daily Journal* titled “Will California pass legislation addressing the Dynamex ruling,” Sacramento Of Counsel Benjamin M. Ebbink looks at Assembly Bill 5, a proposed bill in California that would codify – and expand the reach of – the *Dynamex Operations West v. Superior Court* decision. Ben reviews the “ABC” test implemented by the *Dynamex* decision and compares it to AB 5. He explains that while *Dynamex* decision was limited to claims arising under the IWC Wage Orders, AB 5 states the test applies for both the IWC Wage Orders and the entire California Labor Code. The bill is currently pending in the Assembly Appropriations Committee.
