

San Francisco Attorney Offers Guide on Employee Handbooks for Cannabis Employers

Publication

4.17.19

Bailey K. Bifoss stresses the importance of updating employee handbooks in her article for *mg Magazine* titled “Employee Handbooks: A Guide for Cannabis Employers.” Bailey discusses how the employee handbook helps establish a workplace culture and educates employees and managers alike on workplace policies and standards. She also examines what policies are required for an employee handbook, as well as how the handbook can backfire – especially if it isn’t updated consistently with changing laws.
