Andreas Mosby, an attorney in Fisher Phillips' Columbia office, has been selected as a 2022 fellow for the National Employment Law Council (NELC) Academy.

The NELC Academy provides advanced skills training and mentoring for minority employment defense lawyers with less than four years of experience practicing management-side labor and employment law. Its purpose is to provide advanced skills training, expose participants to the NELC's national network of experienced minority labor and employment attorneys, encourage mentoring relationships, promote the NELC to attorneys who will soon be eligible for membership, and to create a pipeline for future NELC leaders.
