Fisher Phillips, one of the country's preeminent labor and employment law firms representing employers, has been recognized as an "unparalleled leader in client service" in the *BTI Client Service A-Team: Survey of Law Firm Client Service Performance 2022*.

The *BTI Client Service A-Team* is the only law firm ranking based solely on direct, unprompted feedback from corporate counsel. The comprehensive survey, created after performing in-depth interviews with more than 350 corporate counsel, revealed that Fisher Phillips' client service is in the top 20 percent of law firms serving the world's largest clients. The firm was a leader in 2 of the 17 activities clients value most, consider most important, and have the most influence on hiring and rate decisions in driving superior client relationships.

The firm's recognition comes on the heels of **J. Hagood Tighe** being named to BTI Consulting Group's list of 2022 Client Service All-Stars. He was also awarded BTI's MVP distinction, an honor given to lawyers named to the list in consecutive years.

Hagood, a partner in Fisher Phillips' Columbia, SC office and is co-chair of firm's national Wage and Hour practice, received top honors from corporate counsel for his steadfast commitment to providing excellent client service.
