MINING MATTERS: MINE SAFETY AND COMPLIANCE: A LOOK BACK AND A LOOK FORWARD

Podcasts
Apr 25, 2022

In this episode, Arthur and Chris are joined by mine safety consultant and former MSHA official Diane Watson for a wide-ranging discussion on mine safety and compliance – where it has been, where it is now, and where it will be. The group discusses how mine safety has changed over the years and what has remained a constant. Join the team as they forecast MSHA activity in the years to come and what operators can do to prepare.
