

Best Practices for ADA Compliance

Publication

7.26.19

To mark the 29th anniversary of the Americans with Disabilities Act (ADA), Philadelphia partner Rick Grimaldi partnered with Janet Fiore, CEO of The Sierra Group, to author an article for *TLNT* on how corporate teams can best work together to align workplace policies with the ADA's vision of equality and inclusion. In the article, they outline practical steps including understanding an employer's legal obligations, cross-training recruiters and managers, and eliminating electronic barriers for Americans with disabilities.
