

## Fisher Phillips Attorneys Pen Article for Bloomberg Law on Navigating Return-To-Office

News

5.12.22

In their bylined article published in *Bloomberg Law*, **Emily Litzinger** and **Phillips McWilliams** share five steps employers can take to manage a smooth return-to-office process. Following these steps, which include determining which positions are essential to be back in the office and being transparent when making accommodations, could give employers a competitive advantage in recruiting and retaining top talent, they say.
