

Have Employees in Illinois? Get Ready to Gear Up for New Equal Pay Requirements

Event

6.07.22

12:00 PM — 1:00 PM EDT

The first deadline is approaching for new Illinois Equal Pay Act requirements. The Illinois Department of Labor issued notices to 600+ Illinois businesses to inform them that they have until May 25, 2022, to submit their Equal Pay Registration Certificate application as required under the recent amendments to the Illinois EPA. What do companies that do business in Illinois need to know about these significant new requirements and deadlines? Fisher Phillips attorney Jessica Causgrove provides insight on exactly what does the state's EPA require, what employers need to do, and more importantly, what will happen if they don't take action now.

The firm is submitting this webinar for HRCI/SHRM credit.
