

Wage and Hour Wednesday: What Employment Laws Apply To Remote Employees Working Internationally?

Event

7.27.22

12:00 PM — 1:00 PM EDT

In a tight talent marketplace, hiring internationally can be the key to scale an agile and flexible remote workforce. However, it's important to understand that hiring remote workers residing in a country outside of the U.S. can create compliance and legal issues when it comes to taxes, payroll, background screening, and type of contract.

Fisher Phillips employment attorneys Nan Sato and William Wright will discuss the common wage and hour mistakes employers make when operating internationally. This session aims to help companies identify global wage and hour risks and formulate a strategy to minimize those risks.

The firm is submitting this webinar for HRCI/SHRM credit.
