

# The Changing Landscape for Prevailing Wage for New York Contractors

Event

7.21.22

1:00 PM — 2:00 PM EDT

New York recently expanded its prevailing wage law to significantly increase the types of construction projects that are subject to the prevailing wage requirements – including projects that may have been previously viewed as private and beyond the scope of the enhanced minimum wage and benefits requirements the prevailing wage laws require.

Join employment attorneys Patrick Dalin and Sarah Wieselthier for an informative webinar on the changing landscape for prevailing wage for New York contractors as well as access to a checklist that will help your organization determine whether it is subject to the prevailing wage requirements of Article 8 and, if so, how to comply with those obligations and avoid costly civil penalties.

The firm is submitting this webinar for HRCI/SHRM credit.
