## BRETT HOLUBECK DISCUSSES EMPLOYMENT LAW ON THE “NO UNFINISHED BUSINESS” PODCAST

News  
Jul 20, 2022

In a podcast interview with “No Unfinished Business,” **Brett Holubeck** helps demystify the common issues employers encounter in labor and employment law and shares best practices for managing the common employment claims employers find themselves facing.

In this episode, Brett takes a close look at the nuances of the employee vs. independent contractor issue. He discusses federal laws governing this relationship and shares what employers need to do to ensure compliance with those laws. Over time, he says, we will likely see more companies classify their workers as employees rather than independent contractors as the laws change.
