

Houston Lawyer Pens Article on Workplace Investigations

Publication

8.03.22

In a bylined article published by *Compliance Cosmos*, **Brett Holubeck** discusses the importance of properly conducting workplace investigations after an employer receives a formal complaint from a government agency. He provides guidance for companies on preparing a plan before an investigation begins, taking immediate action once an investigation occurs, and carefully weighing all the information when concluding an investigation. Brett's take-home message is that a carefully conducted and well-thought-out investigation will help mitigate workplace problems and reduce the likelihood and success of a resulting lawsuit.
