SPONSORED BY THE WITNESS GROUP AND THE OHIO HOTEL & LODGING ASSOCIATION

Event

10:00 AM — 12:30 PM EDT

In this slow emergence from the post-pandemic business climate, the hospitality industry has been particularly subject to a rash of litigation in the areas of Title III, ADA litigation, Workers Compensation disputes, and claims alleging failure to recognize and prevent labor and sex trafficking of guests by third parties. Additional areas of concern to hoteliers can include immigration and franchising. Knowing about these legal threats and what to do can go long way in preventing your hotel from being named as the next defendant.

This webinar, featuring a group of attorneys with extensive hospitality experience, will inform hoteliers and their leadership teams about the current threats in these legal areas, and practical steps that can be taken now to prevent or mitigate disputes in the first place.
