EMPLOYERS: IT'S TIME TO UPDATE YOUR EMPLOYEE HANDBOOK

Publication
Jan 10, 2020

It's up to each employer to determine when and how they will update their employee handbooks. In an article for *Employee Benefit News*, Partner **Jeffrey Smith** recommends employers thoroughly review their handbooks at least once a year. He goes on to provide examples of what employers can do to update and refresh their company's handbook policies to help avoid potential legal issues.
