

Hospitality Employers' Wage and Hour Checklist for 2023

Event

11.15.22

12:00 PM — 1:30 PM EDT

Your industry continues to face increasingly complex compliance demands when it comes to wage and hour law, and it's hard to keep up with all of the changes. Making matters worse, the federal government and state agencies across the country are vigorously enforcing the rules while plaintiffs' attorneys are filing high-stakes lawsuits against restaurants, hotels, and other hospitality businesses on a daily basis. What's a hospitality employer to do?

Join the leaders of our Hospitality Industry Team and our Wage and Hour Practice Group for an interactive 90-minute webinar where you'll get a practical checklist of to-do items to set you up for success in 2023 and beyond. They'll cover the most pressing topics that you need to know to stay up to speed with today's ever-changing environment, from tip pooling and tip credits to misclassification issues and exemption challenges. Most importantly, they'll distill confusing and perplexing issues into easily digestible bite-sized practical lessons that you can apply to your business right away.

The firm is submitting this program for HRCI and SHRM credit.
