ENROLLMENT CONTRACTS: CREATE MORE THAN JUST REVENUE

Event

Nov 7, 2022

1:00 pm - 2:00 pm EST

Strong enrollment contracts help protect revenue that schools count on for their annual operating budgets, but they also set standards and clarify expectations. From compliance with school rules to reimbursement of legal fees, enrollment contracts can be another tool in a school's proverbial toolbox. Join us to hear current trends and best practices for secular and religious schools. We will help you position your school's enrollment contract for legal enforcement, protect its interests and promote your mission and values.
