

# San Francisco Regional Managing Partner Discusses What Employers Should Know About Cannabis Measures on Midterm Ballots

News

11.02.22

In an interview with *SHRM*, **Jason Geller** shares his insight on what employers should know about the upcoming election and ballot measures that will determine whether recreational use of marijuana gets approved in certain states. Arkansas, Maryland, Missouri, North Dakota, and South Dakota all have ballot measures addressing the topic, and Jason says, "there is clearly strong support for some legalization, but the ultimate outcome is uncertain."
