

Houston Partners Pen Article on How Healthcare Employers Can Address Nursing Shortages

Publication

11.22.22

In a bylined article published in *Medical Journal Houston*, **Pamela Williams** and **Kevin Troutman** provide a detailed description of the current nursing shortage and provide eight things employers can do to improve the situation.

The authors explain the cyclical history of nursing shortages, as well as the causes and long-term effects of the shortage, noting that pay and COVID-19 vaccination requirements have been significant factors. They go on to describe eight things healthcare employers can do to deal with the challenges of the current nursing shortage while better protecting their organizations, patients, and employees.
