Overview

Linda Republicano is a member of Fisher Phillips' Executive Leadership Team and leader of its administrative functions. In this capacity, she oversees the day-to-day operations of the firm's 37 offices nationwide, collaborating with colleagues to manage legal support staff, technology, and equipment to ensure that our teams provide world-class client service.

Having led administration for several other organizations (and, not incidentally, after raising eight boys), Linda knows how to organize, prioritize, budget, and manage lots of moving pieces. She previously served as firm administrator for three different San Francisco-based law firms, where she was responsible for all areas of operations including accounting, facilities, human resources, among other services. She has also worked as Vice President of Operations and Finance for a real estate company and Director of Administration for a historic Bay Area church.

Before assuming her current role, Linda was Fisher Phillips' Office Administrator for the San Francisco, Sacramento, and Seattle offices.

A natural team builder, she lives by the Rumi quote, "be with those who help your being."

Linda serves on several firm committees, including:

- FP On Boarding Committee
- FP Foundation Disaster Relief Fund Committee
