

Los Angeles Attorneys Advise Natural Food Companies on Workplace Pitfalls

Publication

3.27.20

In their byline article for *Food & Beverage Insider*, Los Angeles Partner **Sarina Saluja** and Associate **Marianna Bertikian** offer advice for fast-growing natural foods companies on key workplace pitfalls. While natural food product companies are growing at exponential speeds, Sarina and Marianna encourage them to think seriously about making hasty or uninformed decisions relating to employment law matters. They cover topics like worker classification, wage and hour issues, employee handbooks and policies and applicable paid leave laws.
