MINING MATTERS: NAVIGATING THE MSHA CONFERCING PROCESS

Podcasts

Dec 19, 2022

In this episode Arthur and Chris discuss the MSHA conferencing process under 30 C.F.R. Part 100. While it can be a mystery at times, they describe the basics of the process and what operators can expect when they seek to informally discuss a citation or order with MSHA. Arthur and Chris begin by outlining the requirements of requesting a conference and provide useful insight for what to include in a conference request. They then discuss some best practices to increase your chances for a successful outcome and alert operators to some common pitfalls to avoid. Sit back and enjoy learning about the MSHA conferencing process!
