

What Employers Need to Know About the CARES Act

Publication

4.09.20

In their article published by *The Legal Intelligencer*, **Rick Grimaldi** and **Luke McDaniels** explain the unique loan programs for small and midsize businesses and extensions of unusual tax benefits as an incentive for businesses to keep employees on the payroll that are included in the Coronavirus Aid, Relief and Economic Stimulus Act (CARES Act). They walk readers through the details of the Paycheck Protection Program, Midsize Business Loans now available for employers, the Employee Retention Tax Credit and the Payroll Tax 'Holiday.'
