

Top Three Legal Considerations When Bringing Back Furloughed Workers

Publication

5.01.20

In their article published by the *Tampa Bay Business Journal*, Florida attorneys **LaKisha Kinsey-Sallis** and **Brett Owens** explore the legal issues that employers must consider when they start reopening their businesses post-COVID-19. They explain that the three key issues employers are likely to tackle are addressing questions regarding workplace safety, handling confirmed cases of Covid-19 in the workplace, and managing leaves under the Families First Coronavirus Response Act.
