We invite you to join us in Marina del Rey, California, for Fisher Phillips' first annual PeopleLaw Conference, where we bring together thought leaders in the PEO, staffing, and gig economy industries to discuss common legal challenges and solutions. You will hear from our firm's PEO and Staffing Group lawyers, along with industry association executives, on the latest trends in a series of engaging and interactive sessions. Each session will provide you practical skills you can put to use right away. You'll also have plenty of time to network with your peers to gain invaluable insights and learn from each other.
