

7 Strategies to Promote Workplace Gender Equality

Publication

5.02.20

In the May 2020 edition of the *ACC Docket*, Fisher Phillips' Pay Equity Co-Chairs **Kathleen Caminiti** and **Cheryl Pinarchick**, along with associate **Sarah Wieselthier** and assistant general counsel for ADP's mid-market business, **Margaret Ferrero**, published the feature article "7 Strategies to Promote Workplace Gender Equality." Their in-depth article explores unintended consequences from the #MeToo movement in the workplace and how employers can implement strategies to close the pay gaps that persist today. Readers walk away with a pay equity audit checklist and clear understanding of how new laws seek to close the pay gap in the American workforce.
