

New Laws in a New Year for New York Employers: What You Need to Know as 2023 Unfolds

Event

2.15.23

12:00 PM — 1:00 PM EDT

After a few years of rapid and expansive change to New York's workplace laws, involving adjustments to workplace safety, employee pay, benefits, and privacy, there was a noticeable slowdown for the state legislature this past year. However, New York employers must remain alert as the bills that were enacted, a few of which constitute significant changes to New York law, will add to your compliance burdens this year and moving forward.

Fisher Phillips associates Amanda Blair and Justin Reiter will review a laundry list of new laws that were enacted in 2022 and legislation that will soon go into effect in 2023.

The firm is submitting this webinar for HRCI/SHRM credit for this live webinar.
