Publication

1.27.23

In a bylined article published in *Employee Benefit Plan Review*, **Phillip Bauknight** and **Danielle Moore** provide a checklist of steps to consider if a company wants to roll out a company-wide vacation policy. In this case, the checklist applies to companies that let all employees take the same paid week off at the same time, in addition to their usual paid time off. They explain that while this model may not work for every company or role, the benefits are obvious for those that can implement it.
