

Critical Concerns and Steps for Responding and Managing a Workplace Crisis Event

Event

3.02.23

2:00 PM — 3:00 PM EDT

It's not a matter of "if" but "when" a critical incident will happen in your workplace. From internal fraud, harassment allegations, or CEO malfeasance to a workplace fatality or catastrophic injury, the depth and impact of reputational and operational damage depends on your organization's preparedness. Responding to a workplace crisis involves a number of important aspects of response, both at the strategic and tactical levels.

Join Fisher Phillips partner Curt Moore and C4CS® Senior Vice President Dianne Chase as they walk you through these key considerations through the use of an illustrative case study of a workplace crisis.

Register here for the webinar.

The firm will be submitting this program for HRCI and SHRM credit.
