

Portland Partner Shares Insights on the Labor Market

News

2.02.23

In an interview with *The Business Journals*, **Stephen Scott** shares his insights on the state of the labor market. Stephen explains that employers are extremely active on the hiring front, and talent is hard to find. "For most industries, the evolving economic storm clouds haven't derailed hiring plans, but finding new employees—and keeping existing ones—remains a challenging proposition," he said.
