# PODCAST - QC-ING YOUR TIME AND PAY PRACTICES: A WEBINAR FOR EMPLOYERS IN THE MANUFACTURING INDUSTRY

Podcasts  
Feb 22, 2023

It is not a secret that manufacturers are racing to hire as many employees as possible to replace an entire generation of workers who are reaching retirement age. However, recruitment is not the only difficulty manufacturers face; manufacturers are challenged with managing wage and hour compliance amidst a fast paced environment. From preventing unauthorized overtime and off-the-clock work to automatic meal deductions, employers in manufacturing are constantly having to conduct quality control audits on their own pay practices. Listen to how Fisher Phillips attorneys address those wage and hour challenges employers in manufacturing uniquely face.
