

Fourth Thursday Advanced HR Webinar Series: No Good Deed Goes Unpunished

Event

3.23.23

2:00 PM — 2:30 PM CDT

How do well-meaning managers create legal issues? Being nice isn't always a virtue if it means letting employees slide. Failing to document; accepting excuses for absences that should go unexcused; providing non-exempt work to exempt employees to avoid a layoff; giving multiple final warnings, all can come back to bite you. Learn about some of these mistakes and how to teach your managers to overcome their feelings and exercise better judgment.

The firm will be submitting this program for HRCI and SHRM credit.
