

## John Polson Quoted in Fortune about Launch of Casetext's CoCounsel

News  
3.08.23

John Polson is quoted in *Fortune* on the firm's deployment of Casetext's CoCounsel, the AI legal assistant that performs the tasks most valuable to legal professionals in a single, easy-to-use interface.

Fisher Phillips was one of the first major law firms to deploy the technology, and John explains the power of the tool to assist legal professionals at Fisher Phillips with a broad array of time-consuming tasks, including document review, legal research, and contract revision and drafting, giving them more time to focus on the aspects of practicing law that cannot be done by machine.
