

FISHER PHILLIPS ATTORNEYS NAMED TO LAWYERS OF COLOR'S 2023 POWER LIST

News
Mar 20, 2023

Fisher Phillips, one of the country's preeminent labor and employment law firms representing employers, is pleased to announce that seven of the firm's attorneys have been named to *Lawyers of Color's* 2023 Power List. This year's list recognizes the most influential minority attorneys and allies in the nation. Included on the list are Fortune 1000 general counsel and law school deans, as well as private practitioners, legal media, and nonprofit leaders.

Of the list, Lawyers of Color's executive director, Yolanda Young explains: "Lawyers of Color's Power List is the only comprehensive collection of minority leaders in the legal profession. We began collecting this data because representation and role models are extremely important as legal organizations seek to reach diversity goals and expand the diversity pipeline."

The Fisher Phillips attorneys honored in the 2023 list include the firm's Chief Diversity Officer, Regional Managing Partners, and Practice Group and Industry Team chairs from the firm's Corporate Compliance and Governance, FCRA and Background Screening, and Immigration teams.

The following attorneys have been included in the 2023 edition:

- Davis C. Bae
- Clarence M. Belnavis
- Todd A. Fredrickson

Their profiles, published today by *Lawyers of Color*, underscore their commitment to staying current on changing federal, state, and local laws to provide the best service for their clients, their achievements in the legal industry, and their efforts to expand the diversity pipeline.

Lawyers of Color is a 501(c)(3) devoted to promoting diversity in the legal profession and advancing democracy and equality in marginalized communities. They celebrate attorneys of color and conduct research and studies regarding the intersection of the legal profession and social justice. LOC has been recognized by the American Bar Association, National Black Law Students Association, and National Association of Black Journalists. The organization provides research, career development, and brand marketing opportunities and has a social media and email community of nearly 50,000 legal professionals, the largest of any minority legal organization.
