

Wage and Hour Wednesdays – The Heat is on! How To Plan for When the DOL Turns up the Heat on Child Labor Enforcement Efforts

Event

4.12.23

12:00 PM — 1:00 PM EDT

Summertime is quickly approaching along with beach vacations and summer hires, many of whom will be under the age of 18. In anticipation of this, and in response to the Department of Labor's latest vow to increase enforcement, employers that employ minors need to re-familiarize themselves with the federal laws outlining child labor restrictions. Employers can face stiff penalties under state and federal law for missteps in these areas.

In this webinar, Fisher Phillips will educate employers across various industries on the federal child labor law requirements and offer best practices to help businesses stay compliant with DOL requirements and state laws.

The firm is submitting HRCI/SHRM credit for this live webinar.
