

Massachusetts Breakfast Briefing – Immigration Compliance Best Practices

Event

4.13.23

9:00 AM — 10:00 AM EDT

Now more than ever, U.S. businesses must have access to the international talent pool to be globally competitive. The annual quota of 85,000 new H-1B cap registrations was met in the initial registration period for employment in FY 2024. So, what happens if your employees are not selected in this year's FY2024 H-1B cap? What are other alternatives to employment in the U.S. in the immediate future or down the line?

This webinar will help employers navigate the complex rules and immigration laws so your employees can legally work and your business will be in compliance.

Fisher Phillips will be applying for HRCI and SHRM credit.
