

Pittsburgh CLE Series – High Time for an Update: What Employers Need to Know About Pennsylvania's Medical Marijuana Act and Recent Developments

Event

4.20.23

12:00 PM — 1:00 PM EDT

Pennsylvania's Medical Marijuana Act (MMA) may turn seven years old this month, but some of its provisions continue to feel half-baked for many employers. Perhaps 2023 is the year for some clarity. Courts, regulators, and legislators alike have recently weighed in on everything from qualifying conditions and discrimination to the undefined phrase “under the influence” and workers' compensation. What do Pennsylvania employers need to know?

In this webinar, attorneys Erica Wilson and Shelby Garland will provide a refresher on the MMA—including best practices for testing, accommodations, and navigating discrimination risks—and discuss recent developments that may influence your company's policy decisions.
