

Fisher Phillips AI Workplace Forum: Government Agencies Starting to Clamp Down on Workplace AI Use

Event

5.24.23

2:00 PM — 2:30 PM EDT

The Fisher Phillips AI Workplace Forum is the nation's preeminent space focusing on the intersection of AI and all things employment – the singular place where innovative business leaders will get the news on how AI will be impacting their operations. Join our next biweekly 30-minute rapid-fire session to hear firm leaders discuss the latest AI trends and breaking news. You'll have a chance to weigh in on the discussion and interact with the hosts and panelists during these engaging sessions.

Up for discussion this week: the EEOC, FTC, and other federal agencies are starting to crack down on AI use that might violate labor and employment law. What do employers need to know?

The firm will be submitting this program for HRCI and SHRM credit.

If you have any questions, please contact **Brooke Cassens**.

*Fisher Phillips is committed to providing access to all of our events for disabled attendees. Automated closed captioning is available for all of our webinars. For other accommodation inquiries, please give us three business days advance notice prior to the scheduled event by contacting **Brooke Cassens**. Thank you.*
