

Denver Attorney Discusses SECURE Act 2.0 and Plan Designs

Publication

5.25.23

In a bylined article published in *Employee Benefit Plan Review*, **Ron Pierce** discusses the importance of having plan design discussions now in preparation for SECURE Act 2.0.

Ron covers an extensive list of considerations for such a discussion, which includes emergency savings accounts, student loan repayments, participants' rights to designate matching contributions as Roth, new catch-up contribution limits for those 60–63 years old, financial incentives for employees electing plan participation, and starter 401(k) plans.
