WAGE AND HOUR WEDNESDAY: BEST PRACTICES TO MINIMIZE RISKS OF EMPLOYING REMOTE WORKERS

Event

Jun 14, 2023

12:00 pm - 1:00 pm EDT

Remote work is the future of work in many industries and compliance mistakes can be costly to businesses. Employers and employees alike have recognized certain benefits of hybrid and permanent remote work policies. While remote work arrangements are not practical for every job or desired by every employer, when such arrangements are embraced and become embedded into company policy, employers need to ensure they are taking proper precautions.

This presentation will highlight important areas of state and local wage and hour laws that employers will need to be aware of as they continue to hire and maintain remote workforces.
